DATES

CONFERENCE: Saturday to Saturday, November 10-17, 2018
EXHIBITION: Monday through Thursday, November 12 - 15, 2018

TENTATIVE 2018 EXHIBITION SCHEDULE

MONDAY, 12 NOVEMBER: Decorator Set up – 8 AM to 12 noon Exhibitor Set up – 12 noon to 6 PM

TUESDAY, 13 NOVEMBER: Exhibitor Set up – 7 AM to 11 AM Decorator clean-up – 11 AM to 12 Noon Refreshment break – Mid afternoon
Exhibition Open for attendees – Noon to 7:30 PM, with Exhibitor Reception starting at 6 PM

WEDNESDAY, 14 NOVEMBER: Exhibition Open for attendees – 9 AM to 6 PM Refreshment breaks – Mid morning and mid afternoon

THURSDAY, 15 NOVEMBER: Exhibition Open for attendees – 9 AM to 4 PM Refreshment breaks – Mid morning and mid afternoon
Exhibition dismantling and removal - 4 PM -11 PM

FRIDAY, 16 NOVEMBER: Exhibition removal – 7 AM to 11 AM – Clean by Noon

WHO SHOULD EXHIBIT AT NSS-MIC?

NSS-MIC is one of the world’s leading multidisciplinary conferences focused on advancements in the fields of nuclear science, radiation detection, software engineering, data acquisition and medical imaging applications. NSS-MIC attendees are interested in products in the following areas:

- Accelerators and Beam Line Instrumentation
- Analog and Digital Circuits
- New Detector Materials
- Technologies for Medical Imaging
- Astrophysics and Space Instrumentation
- Computing and Software for Experiments
- Data Acquisition and Analysis Systems
- Detector Systems for Homeland Security
- Emission Tomography Instrumentation (PET, SPECT)
- Environmental Health and Safety Instrumentation
- Gaseous Detectors
- High Energy Physics Detectors
- High Resolution Imaging Systems
- Homeland Security Instrumentation
- Instrumentation for Medical and Biological Research
- Intra-operative Probes and Portable Imaging Systems
- Modeling of Medical Imaging Systems
- Multi-modality Systems
- Radiation Detectors
- Solid State Detectors
- Nuclear Magnetic Resonance
- Nuclear Measurements and Monitoring Equipment
- Nuclear Physics Instrumentation
- Optical Imaging Technology and Processing, Ultrasound, Synchrotron Radiation, Impedance/Biomedical/Bioelectric Imaging
- Photodetectors and Radiation Imaging
- Power Supplies
- Image Processing
- Radiation Damage Effects
- Scintillation Detectors
- Solid State Tracking Detectors
- Synchrotron Radiation Instrumentation
- Trigger and Front-End Systems
- X-ray Computed Tomography

Credit for all artwork throughout brochure: UNIVERSITY OF WOLLONGONG, NSW, Australia
Dear Industrial Partner:

The 2018 IEEE Nuclear Science Symposium, Medical Imaging Conference and 25th Symposium on Room Temperature Semiconductor Detectors will take place at the International Convention Centre Sydney (ICC Sydney) in Sydney, Australia, from 10 to 17 November 2018. This joint conference has historically been one of the largest and most important technical meetings in the field of radiation detection instrumentation and signal processing for high energy physics, medical imaging, photon science, space applications, homeland security, and much more. It always attracts the active participation of an international group of world-class scientists and engineers who present their most recent research results and attend advanced workshops and courses. It will provide an exceptional opportunity for you to showcase your newest products and services and we hope you can join us there.

For the past several years attendance at the NSS-MIC and RTSD has averaged about 2000, and we anticipate at least this many in Sydney in 2018. About 75 exhibitor booths have typically been available which usually sell out well before the conference. In 2018, we will be able to offer 85 3x3 m booths that will be located close to the poster sessions and coffee break areas in the Gallery, enhancing traffic flow through the exhibit area and interactions with attendees. Details on the layout can be found on pages below. A limited number of double booth reservations will be accepted. Special this year will be a triple corner booth – but only one is available. All reservations are on a first-come, first-served basis, so don’t delay submitting your request!

To allow the NSS, MIC, and RTSD communities ample time to visit with you, the exhibits will be open from Tuesday lunch through Thursday afternoon, with time on Monday afternoon and Tuesday morning to set up your booth and on Thursday evening and Friday morning to dismantle it. To further enhance your networking opportunities with the attendees, a “Happy Hour” reception will be held in the exhibits area on Tuesday evening. In a slight departure from recent meetings and as a result of your feedback, this will be a somewhat shorter, earlier, and hopefully a more relaxing bridge between the technical sessions and dinner. The detailed exhibitor’s schedule is shown above.

The Exhibition and Poster Session rooms are on Level 2. The session rooms are on Levels 2, 3, 4, and 5.

You should not miss the opportunity to further increase your visibility to the scientific community by participating in the Exhibitor Technical Sessions. These will be held in conference rooms adjacent to the main session rooms during the time of the exhibition. Your presentations that should be aimed at providing basic technical information on the usage and/or performance of a product or service and be 30 minutes long with 6 minutes for questions. These presentations will be fully integrated with the main conference program. The presentations can be submitted on the conference website: deadline 1 October 2018. The time slot will be assigned by the session chairman. Don’t be left out!

On behalf of the 2018 NSS-MIC-RTSD Organizing Committee and its General Chair, Prof. Anatoly Rozenfeld, I invite you to take part in this unique opportunity to present your products and to network with our world-class scientific and technical communities. Your active participation is crucial for the success of this meeting and we thank you for your continued support through your attendance.

We look forward to seeing you in Sydney.

Ronald Keyser  
Industrial Program Chair  
ronkeyser@ieee.org
RENTAL RATES
Each single booth space is AUD5,800.00 including GST and is 3 m deep x 3 m wide. Space includes 2.5 m high walls (Aluminum frame with white infill panels) on 3 sides and a 3 m wide x 22 cm high identification sign above the front. Side walls may be removed on corner booths. Two energy-efficient track lights per 9 m² stand are included. The room is carpeted. Electric power (1 kw at 220 V 50 Hz) is provided. No furnishings are included. If needed, they should be ordered on the service forms that will be sent in the Exhibitor Manual in July 2018.

Double booths are AUD11,600.00 including GST or twice the single with twice the specifications as the single booth. The special booth (number 99) of three spaces in an “L” shape AUD14,000.00 including GST with three times the specifications as the single booth.

Note the booth rates are in AUD and are inclusive of GST.

EXHIBITION DIRECTORY
The exhibit fee includes Exhibitor listing (including company name, address details, and a brief description of services and products presented) in the NSS-MIC Meeting App, which will be available electronically about three months before the conference and updated weekly as part of the electronic program book. A printed version will be available at the conference.

EXHIBITION ADVERTISING
Exhibitors can enhance their participation in the Exhibition by placing paid advertisements in the NSS-MIC Meeting App in addition to the Directory. For complete rates and mechanical specifications, please contact the Industrial Program Chair.

ADDITIONAL EXHIBITOR BENEFITS:
- Conference breaks and receptions in the Exhibit area
- One full conference admittance to the NSS-MIC Technical Program and two staff registrations per booth space rented
- Inclusion in the NSS-MIC Show Directory and on the NSS-MIC web site
- Electronic copy of the attendee list, who have given permission, is provided to each Exhibitor after the NSS-MIC Conference
- NSS-MIC Conference discounted rate on Hotel rooms

RESERVATIONS
Applications will be processed beginning on 15 January 2018, on a first-come, first-served basis. Exhibitors should complete the online application and payment form at:
http://www.nss-mic.org/2018

CONFERENCE DELEGATE REGISTRATION
Each registered company will receive one complimentary full conference registration per booth, including access to the scientific program and conference proceedings. In addition to the Full Conference Registration, two exhibition staff registrations are included for each booth space rented. Exhibition staff badge holders are not permitted in the technical sessions. Registration codes will be issued when registration is opened to register at the special rates on the regular conference registration website. Exhibitor badges may be picked up at the conference registration desk. Staff registrations in addition to the two are AUD300. Staff registrants are not permitted in the technical sessions, with the exception of the Exhibitor Technical Sessions.

TERMS AND CONDITIONS OF EXHIBITING
Exhibitors are asked to pay particular attention to the General Exhibition Regulations contained in this prospectus. Signature of the Exhibition Application Form implies acceptance of these conditions.

For further information on the exhibition please contact the Industrial Program Chair:
Ronald Keyser, PhD
IEEE
Ronkeyser@ieee.org
+1 865 607 2608

To book your space, go to the registration website shown on:
http://www.nss-mic.org/2018

The floor plan in this brochure is correct at the time of printing. However, the organizers retain the right to make alterations should it be deemed necessary.
The access to the sessions on other floors and entry/exit of ICC Sydney is in the corner near booths 76 and 63.

**TYPES OF BOOTHs:**

*White* – single 3 x 3 booths and may be reserved as one booth or combinations of booths.

*Yellow* – double 3 x 6 booths will be only available as double until 1 May 2018. Reservations will be accepted for the individual booths in the case they are not sold as doubles and you should reserve a single booth in case the double is not available. After 1 May, you will be asked if you want to switch booths or not. On 7 May 2018, any doubles not sold will be available as singles.

*Gold* – a special booth (99) of three booths at a special low price.

The red striped areas not labeled as “catering” are emergency exits and must be kept clear of all materials.
1. Purpose:
The main purpose of the conference is educational and the exhibits together with the technical sessions are vital elements of this process. Management and the Applicant agree that the purpose of the exhibition is educational, and will conduct themselves accordingly. The exhibits shall be arranged so as not to obstruct the general view nor hide the exhibits of others. Plans for specially-built displays not in accordance with regulations shall be submitted after construction is ordered. Sales are not permitted in the Exhibition.

2. Contract:
This application, properly executed by the Applicant (the “Applicant”) named in this application (the “Application”), shall upon written acceptance by the management team (the “Management”) of The Institute of Electrical and Electronics Engineers, Incorporated (“IEEE”) constitute a valid and binding agreement between the parties. The Applicant agrees to be bound by the rules and regulations established in this Application. This document details the conditions under which the Applicant agrees to contract with IEEE and will be strictly enforced by IEEE.

3. Licensed Space:
Applicant is licensed to use exhibit space which includes the following exhibit equipment as listed below in Section 18.
Management accepts no liability for losses or damages of any kind sustained through the exhibition, except for losses or damages caused by the sole negligence or willful misconduct of Management. The Applicant shall indemnify and hold harmless IEEE from all liability whatsoever, on account of such damage, or injury whether or not caused by negligence of or breach of an obligation by the Applicant or its employees or representatives.

4. Fire, Safety and Health:
The Applicant assumes all responsibility for compliance with local, city and state ordinances and regulations covering fire, safety and health. Applicants must construct booths in such a manner that will reasonably accommodate expected attendees within the confines of their licensed exhibit space. No unaccompanied or unsupervised minors; under the statutory age of legal consent shall be allowed in the exhibit or presentation area.

5. Union Labor:
The Applicant must comply with all union regulations applicable to installing, dismantling and display of the exhibits.

6. Installation and Dismantling of Exhibits:
Exhibits shall be installed and dismantled in accordance with the set-up and take-down times announced by Management. The Applicant must be on hand for installation or dismantle within the times announced by Management. The Applicant agrees that this agreement is a license to use exhibit space and not a lease or sublease of real property.

7. Sublicensing of Space:
The Applicant shall not assign, sublicense or permit the whole or any part of the exhibit space licensed to Applicant or have representatives, equipment or materials from any other firms than their own in the exhibit space without the written consent of Management. Only one company shall be considered as the Applicant, and no other company is licensed to use the space unless said company or unit is a subsidiary, parent, or affiliate of the Applicant.

8. Official Contractor:
The Official Contractor has been designated to perform services for an Applicant such as the rental of furniture, erection of exhibits, electrical work, plumbing, labor, cleaning and other service. No Applicant or representative shall contract for such services with other than the said official contractor without the express written consent of Management, which, for reasons of security, in its sole discretion can deny such permission. In the event Applicant hires subcontractors to perform services for the event, Applicant shall: (a) remain fully responsible and liable for the subcontracted obligations and duties to the same extent as if Applicant had fulfilled the obligations and duties itself; (b) bear all responsibility for paying such subcontractors and not charge IEEE/Management for the services performed by such subcontractors; and (c) indemnify IEEE against any third party damages arising from the gross negligence or willful misconduct of such subcontractors.

9. Insurance:
The Applicant is required to obtain general public liability insurance in the amount of one million dollars ($1,000,000.00). Such insurance maintained by the Applicant must be issued by an insurance company with an A.M. Best rating of A or higher and shall include coverage of the indemnification obligations of the Applicant under this Application. Each Applicant is also required to have workers’ compensation protecting employees in accordance with the laws of the state in which the program or conference is being held. Nothing in this paragraph shall limit the amount of liability the Applicant may be responsible for.

10. Indemnification:
The Applicant assumes entire responsibility for and hereby agrees to protect, indemnify, defend and hold harmless IEEE and its employees, subsidiaries, affiliates and agents, against all third-party claims, losses and damages to persons or property, governmental charges or fines, and other reasonable expenses, including attorney’s fees, arising out of or due to the Applicant’s or its employees, subsidiaries, affiliates or agents negligence or willful misconduct. In addition, the Applicant acknowledges that IEEE does not maintain insurance covering the Applicant’s property and that it is the responsibility of the Applicant to obtain business interruption and property damage insurance covering such losses sustained through the programs or conferences.

11. Limitation of Liability:
The Applicant agrees that IEEE shall not be liable for any damage or injury to persons or property during the term of this Application, from any cause whatsoever, and that the Applicant will indemnify and hold harmless IEEE from all liability whatsoever, on account of such damage, or injury whether or not caused by negligence of or breach of an obligation by the Applicant or its employees or representatives.

12. Unoccupied space:
Management reserves the right, should any Applicant’s licensed space remain unoccupied on the opening day, or should any space be forfeited due to the failure to make proper payment, to license any space to any other Applicant, or use said space in any other manner, but this clause shall not be construed as affecting the obligation of the Applicant to pay the full amount specified in its invoice for the licensed space under the terms of this contract.

13. Inability to Perform:
If Management should be prevented from holding the exhibition by any cause beyond its control (such as fires, strikes, Acts of God, etc.) or if it cannot permit the Applicant to occupy his space due to circumstances beyond its control, Management will refund to the Applicant the amount of the license fee paid by them, and IEEE shall have no further obligation or liability to the Applicant.

14. Observance/Compliance of Laws:
Applicant shall abide by and observe all laws, regulations and ordinances of any applicable government authority and all rules of the convention center/hotel. Applicant is required by the applicable state law to be solely responsible for the collection and remittance of any taxes imposed on them.

15. Assignment of Space:
Management shall assign the exhibit space to the Applicant for the period of the exhibition (provided the exhibit building is made available to Management) in priority order based on the rules and/or receipt of contract. Such assignment is made for the period of this exhibition only and does not imply that the same or similar space be held or offered for future exhibits. Every effort will be made to respect the Applicant’s space choices whenever possible, but Management’s decision will be final. Management reserves the right to transfer assignments when such action is deemed to be in the best interest of the Exhibition. Management reserves the right to withdraw its acceptance of this application/contract if it determines in its sole discretion that the Applicant is not eligible to participate or the Applicant’s product or service is not eligible to be displayed in this exhibit, provided, however, that Management will refund to the Applicant any fees paid by Applicant.

16. Non-Discrimination:
IEEE is committed to the principle that all persons shall have equal access to programs, facilities, services, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by the IEEE’s policy and/or applicable laws.
IEEE prohibits discrimination, harassment or bullying against any person because of age, ancestry, color, disability or handicap, national origin, race, religion, gender, sexual or affectional orientation, gender identity, appearance, matriculation, political affiliation, marital status, veteran status or any other characteristic protected by law. IEEE expects that its partners, contractors, affiliates and clients shall maintain an environment free of discrimination, including harassment, bullying, or retaliation when and where ever those individuals are conducting business with IEEE or participating in IEEE’s events or activities.

17. Publicity:
Management may use Applicant’s name and any non-confidential materials provided by Applicant on Management’s website, and for internal and trade purposes, but only for the purposes of promoting this exhibition.

18. Exhibit Space Rental Rates:
Exhibit space rental includes materials and services described herein. Exhibition Price per 3 m X 3 m booth: AUD$5800.00. Includes: Exhibit space; 2.5 m high back and side walls; a 3 m wide x 22 cm high identification sign, and Exhibition Directory listing. Double booths are AUD$11,600.00 including GST or twice the single with twice the specifications as the single booth. One booth (number 99) of three spaces in an “L” shape is AUD14,000.00 including GST with three times the specifications as the single booth. Note the booth rates are in Australian Dollars (AUD) and are inclusive of GST. Exhibition aisles will be carpeted and cleaned. With the rental of each booth space there will be allocated two (2) “exhibits only” passes and one full conference registration.

19. Payment Requirements and Cancellation Charges:
Full payment must accompany this Application and the Application will not be processed without such payment. A completed application with full payment and all requested information should be submitted after 15 January 2018 at http://www.nssmic.org/2018/Exhibit.asp. The Applicant must notify IEEE in writing of any cancellations. Cancellations are not effective until notice has been received in writing by IEEE and permission to cancel granted by IEEE. Space reductions are considered cancellations and may be subject to cancellation fees.

Refunds are given as follows:
On or before June 1, 2018, 50% of total booth cost, less a AUD100 service fee, will be refunded.
After June 1, 2018, No Refund will be permitted. No-show exhibitors will receive no refund.
It is understood that Management reserves the right, at its option, to realign a cancelled booth regardless of the cancellation rate assessed.

20. Amendments:
All matters and questions not covered by this Application are subject to the decisions of Management. This Application may be amended at any time by Management upon prior written notice and all amendments that may be so made shall be equally binding on all parties affected by them as by the original regulations.
Booth Reservation and purchase:
Registration will open after 15 January 2018 using a web-based registration system. The display will be a representation of the actual arrangement of the booths, aisles, coffee stations, and entrance/ exits. In this system, you will be able to see the booths that are sold and the company that has purchased that booth or booths.

Several pairs of booths will be grouped as “doubles.” These will be reserved as doubles until 1 May 2018. Any unsold booths will then be available as singles. Booth 99 is a special arrangement of three booths in an L shape and is located in a good location near the doorway to the poster sessions.

You should have the following information ready when you make your online application to reserve your booth:
Company Name, Street Address, City, State, Postal Code, Country.
Phone, Email, web address Exhibit Contact, Exhibit Contact email,

Payment information is required to reserve the booth.

No furnishings or extra utilities are included and should be ordered on the service forms that will be sent in the Exhibitor Manual in July 2018.

The conference website is www.nss-mic.org/2018, look in the Industrial Program section.

Payment:
A payment of the total booth cost is required to confirm your application. No space will be allocated without payment. Payment can be made by Amex, MasterCard, Visa, or wire transfer. Card details are entered on the secure website. There is a AUD50.00 service charge for wire transfers.

Reserving a booth and making the payment means: The undersigned acknowledges receipt of the “Basic Terms and General Exhibition Regulations” contained herein, and further agrees to abide by these Basic Terms and General Exhibition Regulations.

Shipping:
Exhibit materials may not be sent directly to ICC Sydney. It is recommended that a broker be used to receive your freight, process through customs and deliver to the conference when needed. ICC Sydney works closely with Agility Fairs & Events to provide for storage before the conference and delivery to the 2018 IEEE NSS-MIC, ICC Sydney at the correct time. After the conference, Agility can handle the return shipment.

Agility has service tailored to international exhibitors, including: full service, inclusive of freight, customs, and handling. Australia has detailed Customs and Quarantine procedures; the Agility team will work with you to ensure your goods enter the country problem free.

For more information contact: Agility Fairs & Events, Tel: +61 3 9330 3303, expoeasy@agility.com. You are responsible for all contracts and charges for this service.

Event and Other Sponsorship Packages
NSS MIC Committee are also looking for other potential opportunities for vendor sponsorship (such as: promotion of the banquet, night out activity, conference bags, promotional items). Please contact Ron Keyser (ronkeyser@ieee.org) or Anatoly Rozenfeld (anatoly@uow.edu.au) if you would like to discuss how your organization could participate.
2018 IEEE Nuclear Science Symposium and Medical Imaging Conference

International Convention Centre • Sydney • 10-17 November 2018

In conjunction with the 25th International Symposium on Room-Temperature X-Ray & Gamma-Ray Detectors

Radiation detectors and instrumentation and their applications in:
- Particle and nuclear physics, astrophysics, synchrotron radiation, security, energy, and environmental science
- Medical sciences, including image reconstruction, image/data analysis, radiation therapy, and dosimetry

Scientific Sessions, Industrial Exhibition, Short Courses, Special Focus Workshops

Abstract Submission Deadline: 9th May 2018

General Chair: Anatoly Rozenfeld
Deputy General Chair: Ralf Engels
Scientific Program Chairs:
NSS Co-Chairs: Geoffery Taylor and Craig Woody
MIC Co-Chairs: Steve Meikle and Taiga Yamaya
RTSD Co-Chairs: Ralph James and Michael Flederle

Email: nssmic2018@ieee.org
Website: www.nss-mic.org/2018
